

Letter of Volatility

HARDWARE: SyncLink GT2e/GT4e PCI-Express Adapters

PART NUMBERS: 201XXX, 202XXX, 203XXX, 401XXX, 402XXX, 403XXX

| Part | Usage Type | Size | Volatility | Notes |
|---------------------------------------|-------------------|-------------|-------------------|--|
| ST Microelectronics (M95010-WMN6P) | EEPROM | 1Kb | Nonvolatile | Holds hardware configuration information. No mechanism provided for accessing the EEPROM through user API. |
| Atmel (AT45DB041D-SSU) | EEPROM | 4MB | Nonvolatile | Holds hardware configuration information. No mechanism provided for accessing the EEPROM through user API. |
